## TRADING STATEMENT UPDATE

---

In terms of paragraph 3.4(b) of the JSE Limited Listings Requirements, companies are required to publish a trading statement as soon as a reasonable degree of certainty exists that the financial results to be reported upon next will differ by at least 20%, from the financial results for the corresponding period in the prior year.

Further to the announcement released on SENS on 20 September 2017, the Company wishes to clarify that it expects both earnings per share ("EPS") and headline earnings per share ("HEPS") to be no less than 12.06 cents, representing a minimum increase of 20% when compared to the EPS and HEPS of 10.05 cents for the prior comparative period.

Huge will publish a further trading statement as soon as it is able to provide precise guidance in respect of the expected increase in both EPS and HEPS.

This trading statement has not been reviewed or reported on by the Company's external auditors.
