UNDERWRITTEN RIGHTS OFFER DECLARATION AND FINALISATION DATA ANNOUNCEMENT
WITH REGARDS TO FINBOND GROUP LIMITED'S NORTH AMERICAN EXPANSION

1. INTRODUCTION AND TERMS OF THE RIGHTS OFFER

Shareholders are advised that the Board of Directors of Finbond have resolved to implement a capital raising of approximately R412 million by way of a partially underwritten rights offer ("the Rights Offer") in order to partially repay the loans that were extended to Finbond during the course of September 2016 that allowed Finbond to conclude the Americash Holding LLC and Creditbox.com LLC acquisitions.

In terms of the Rights Offer, 172 609 725 new Finbond ordinary shares of 0.0001 cents each, in the authorised but unissued share capital of the Company ("the Rights Offer shares"), will be offered for subscription to Finbond shareholders recorded in the register at the close of trade on Friday, 6 April 2018 who will receive rights to subscribe for the rights offer shares on the basis of 22.18391 Rights Offer shares for every 100 Finbond ordinary shares held, at 239 cents per Rights Offer share.

2. RATIONALE FOR THE RIGHTS OFFER

The rationale for the Rights Offer is to raise funds to repay loans that were extended to Finbond during the course of September 2016 that allowed Finbond to conclude the Americash Holding LLC and Creditbox.com LLC acquisitions. Riskowitz Value Fund LP ("RVF"), Net 1 Finance Holdings Pty Ltd ("Net 1") and Kings Reign International Ltd ("KRI") ("the Lenders") have advanced a total of \$37.5 million (R545.25 million) to Finbond on condition that Finbond proposes a Rights Offer to all shareholders and that the Lenders be afforded the option to utilise these loans in accepting their rights in respect of the Rights Offer for any portion of their loan that remains outstanding at the repayment date.

The Lenders now have the option to accept their rights by converting their loans to shares for any portion of their respective loan that remains outstanding at the repayment date. Instead of subscribing for cash, they will then instruct the Company to debit their loan accounts and credit share capital. If any of the Lenders elect not to

accept their rights, the relevant shareholder loan(s) will remain in effect and those Lender(s) will be afforded the opportunity to convert the loan(s) into shares by way of a future Rights Offer.

The loan amounts of the loans extended are as follows:

- RVF \$17.5 million (R254.45 million)
- Net 1 \$10 million (R145.4 million)
- KRI \$10 million (R145.4 million)

Should any of the Lenders elect to accept their rights and any portion of their loan remains unsettled, that amount will be repaid in cash after the Rights Offer is concluded by the funds raised by the Rights Offer. RVF and Net 1 intend on accepting their rights in terms of the Rights Offer.

The initial loan agreement and any subsequent amendments will be available for inspection at the registered office of Finbond.

The Rights Offer allows all shareholders registered as such on the record date an equal opportunity to participate in the capital raising on a pari passu basis.

3. UNDERWRITING

Pursuant to the underwriting agreement between Finbond Group Limited, RVF and Net 1, RVF agreed to partially underwrite the Rights Offer to a maximum of R232 486 411 and Net 1 agreed to partially underwrite the Rights Offer to a maximum of R132 849 378.

In terms of the Underwriting Agreement, an underwriting fee of 2.5% of the additional amount underwritten over and above the amount for full subscription of their own rights, is payable by Finbond to the Underwriters in consideration for the commitments provided in terms of the Underwriting Agreement. The Underwriters will not be paid any fee for the subscription of their own rights in terms of the Rights Offer.

4. EXCESS APPLICATIONS

Finbond shareholders will not be permitted to apply for new Finbond shares in excess of their entitlement.

5. FRACTIONS

The whole number of rights to subscribe for Rights Offer shares to which qualifying shareholders will become entitled will be determined by the ratio of entitlement. Only whole numbers of new Finbond shares will be issued and Finbond shareholders will be entitled to rounded numbers of shares once the ratio has been applied, using the rounding principle where allocations will be rounded up or down, as

appropriate with fractions of 0.5 and above being rounded up and fractions below 0.5 being rounded down to the nearest whole number resulting in allocations of whole numbers of rights offer shares, in accordance with the Listings Requirements.
