### **Secondary Listing on A2X**

Standard Bank Group is pleased to announce that its ordinary shares and second preference shares have been approved for inclusion in the list of qualifying equity securities to be traded on A2X with effect from 15 November 2018 (the "A2X listing date").

Standard Bank Group will retain its primary listing on the Johannesburg Stock Exchange (JSE) and its issued share capital will be unaffected by its secondary listing on A2X. Standard Bank shares will be available to be traded on both the JSE and A2X from the A2X listing date.

A2X is a licensed stock exchange authorised to provide a secondary listing venue for companies and is regulated by the Financial Sector Conduct Authority (FSCA) of South Africa (previously the Financial Services Board) in terms of the Financial Markets Act.

Standard Bank Group's Financial Director, Arno Daehnke, commented "Standard Bank is pleased to be making its securities available for trading on A2X through a secondary listing that complements our primary listing on the JSE. We have listened to our institutional investors, who have called for this secondary listing, which will offer enhanced choice to investors to trade through A2X's platform and which demonstrates our support for the deepening and broadening of financial markets."
