## **NOTIFICATION OF CHANGES TO THE GROUP'S WEBSITE**

The group has updated the design of its website and, as a result, shareholders and bondholders are advised that certain URLs referred to in previous announcements and reporting collateral have changed.

These include, but are not limited to, the bank's offering circulars, domestic medium term note programme memoranda, note programme memoranda, structured note and preference share programme memorandum, supplements to the aforementioned programme memoranda, issuer disclosure documents, group and bank interim and annual financial results booklets and annual reports. The new URLs are listed below.

1. Website references to the group's annual integrated reports, reports to society and the bank's annual reports are hereby amended to:  
<https://www.firstrand.co.za/investors/annual-reporting/>
2. Website references to the group's and bank's annual and interim financial results are hereby amended to: <https://www.firstrand.co.za/investors/financial-results/>
3. Website references to the group's and bank's IFRS 9 transition reports are hereby amended to: <https://www.firstrand.co.za/investors/other-shareholder-documents/>
4. Website references to the group's and bank's Basel Pillar 3 disclosures are hereby amended to: <https://www.firstrand.co.za/investors/basel-pillar-3-disclosure/>
5. Website references to the group's environmental and social risk reports are hereby amended to: <https://www.firstrand.co.za/society/firstrand-contract-with-society/>
6. Website references to FRB's programme memoranda and issuer disclosure documents are hereby amended to:  
<https://www.firstrand.co.za/investors/debt-investor-centre/prospectuses-and-programme-memoranda/>
7. Website references to FRB's pricing supplements are hereby amended to:  
<https://www.firstrand.co.za/investors/debt-investor-centre/jse-listed-instruments/>
8. Website references to the group's and bank's credit ratings are hereby amended to:  
<https://www.firstrand.co.za/investors/debt-investor-centre/credit-ratings/>
