Rescheduling of release of annual results and renewal of cautionary announcement

RESCHEDULING OF RELEASE OF ANNUAL RESULTS

Shareholders are advised that owing to complexities relating to the accounting treatment of discontinued operations and the implementation of new accounting standards, the Group's annual results for the year ended 30 June 2019 will now be released on or before 31 October 2019.

The board and management apologise for the inconvenience caused by the further delay in the release of the annual results. Details on the timing of the release of the annual results on SENS and the investor presentation will be communicated later in October.

RENEWAL OF CAUTIONARY ANNOUNCEMENT

Shareholders are referred to the previous cautionary announcement and subsequent renewals, the latest being released on SENS on 3 September 2019, relating to the proposed disposal of the Remedica business unit in Cyprus.

Shareholders are advised to continue to exercise caution when dealing in Ascendis Health's securities until a further announcement is made.
