Alert on cyber attack

Momentum Metropolitan hereby informs stakeholders that a third party unlawfully accessed a limited portion of data of a subsidiary of the Group.

The Group became aware of a data breach on its network on Thursday 13 August 2020 and immediately activated its IT security incident plan, which included the implementation of additional systems monitoring and the reinforcement of its IT security. The Group's IT teams have been working non-stop to ensure that service to clients remains unaffected.

In conjunction with cyber forensic partners, the Group has done extensive investigations into the nature and extent of the breach. Based on the investigation to date, the Group confirms that information accessed does not contain any client or member data. Information accessed contains administrative and financial data that is not expected to prejudice any stakeholders of the Group.

The Group has alerted the authorities and investigations are ongoing.
