(“MiX Telematics” or “the Company”)

PUBLICATION OF US GAAP EARNINGS ANNOUNCEMENT IN RESPECT OF THE SECOND QUARTER OF FISCAL 2021

MiX Telematics changed from being a foreign private issuer to a U.S. domestic filer with effect from April 1, 2020. As a result of the change in status, the Company is required to comply with and report its quarterly financial results in accordance with generally accepted accounting principles in the United States (“U.S. GAAP”) and in U.S. Dollars from a United States Securities And Exchange Commission (“SEC”) perspective.

Shareholders are accordingly advised that the Company’s second quarter fiscal 2021 U.S. GAAP financial results was filed on October 29, 2020 with the SEC and is available on the Company’s website, at www.mixtelematics.com under Investor Information – SEC filings.
