## DISPOSAL OF SHARES IN NEPI ROCKCASTLE

---

Shareholders and noteholders are referred to Resilient's interim results for the six months ended 31 December 2020 released on SENS on 23 March 2021 wherein shareholders and noteholders were advised that Resilient had disposed of 9 323 943 shares in NEPI Rockcastle plc ("**NEPI Rockcastle**") for c.R818 million since the previous category 2 announcement of 22 May 2020 relating to Resilient's participation in the equity raise of Lighthouse Capital Limited ("**the May announcement**"). Resilient has sold a further 3 661 295 NEPI Rockcastle shares on-market. Since the May announcement, Resilient has sold 12 985 238 NEPI Rockcastle shares for an aggregate consideration of c.R1,17 billion (the "**disposals**").

Resilient's policy is to hold sufficient interest in investments to provide it with significant influence over the companies in which it is invested. The proceeds of the disposals have been used to reduce Resilient's existing debt.

### Additional required information

NEPI Rockcastle is the owner and operator of shopping centres in Central and Eastern Europe, with a presence in nine countries. NEPI Rockcastle's shares are listed on the JSE, Euronext Amsterdam and A2X.

The following profitability metrics are attributable to NEPI Rockcastle for the year ended 31 December 2020:

	<b>Euro cents</b>
Distributable earnings per share	38,42
Basic/diluted loss per share	(27,99)
Headline earnings per share	18,12

### Categorisation of the disposals

The disposals, when aggregated since the May announcement are classified as a category 2 transaction in terms of the JSE Listings Requirements, and as such are not subject to shareholder approval.
