Northam is pleased to announce that it has increased its available bank funding facilities by R1.0 billion, from R4.0 billion to R5.0 billion. The increase comprises a R500 million increase in the existing revolving credit facility (“**RCF**”) from R3.5 billion to R4.0 billion, and a R500 million increase in the existing general banking facility (“**GBF**”) from R500 million to R1.0 billion. The interest rates on both the RCF and the GBF remain unchanged.
