UPDATE ON ENGAGEMENTS WITH STATE INFORMATION TECHNOLOGY AGENCY (SITA)

Shareholders are referred to the announcement published on 6 July 2021 in response to media coverage alleging the blacklisting of EOH by SITA.

On 9 July 2021 SITA informed EOH that following our presentation on 30 June 2021, SITA received correspondence from Department of National Treasury on this matter. Based on the above SITA has referred the matter to the Department of National Treasury and the Department of Home Affairs for further processing.

EOH remains confident that the matter will be positively resolved and will provide shareholders with an update once engagements with Department of National Treasury and the Department of Home Affairs have concluded.
