**About Naspers**

*Established in 1915, Naspers has transformed itself to become a global consumer internet company and one of the largest technology investors in the world. Through Prosus, the group operates and invests globally in markets with long-term growth potential, building leading consumer internet companies that empower people and enrich communities. Prosus has a listing on Euronext Amsterdam and a secondary listing on the Johannesburg Stock Exchange and Naspers is the majority owner of Prosus.*

*In South Africa, Naspers is one of the foremost investors in the technology sector and is committed to building its internet and ecommerce companies in the country. These include Takealot, Mr D Food, Superbalist, OLX, Autotrader, Property24 and PayU, in addition to Media24, South Africa's leading print and digital media business.*

*Naspers is also focused on stimulating South Africa's local tech sector through [Naspers Foundry](#). This is a R1.4 billion investment targeting early stage technology companies in South Africa that seek to address big societal needs. To help address youth unemployment in impoverished communities, in 2019, Naspers launched [Naspers Labs](#), a social impact programme for young, unemployed South Africans aged between 17 and 25. Located in low income, urban settings, Naspers Labs provide a structured development journey enabling young people to enter the economy.*
