TRADING STATEMENT

In terms of the JSE Limited Listings Requirements, a listed company is required to publish a trading statement as soon as it becomes reasonably certain that the financial results for the next period to be reported on will differ by 20% or more from the financial results for the previous corresponding period.

The Company hereby advises that a reasonable degree of certainty exists that for the six month period ended 30 September 2021:

- Earnings per share ("**EPS**") will be between 3.74 cents and 4.05 cents, representing an increase of between 141% and 161% compared to the EPS of 1.55 cents reported for the six-month period ended 30 September 2020; and
- Headline earnings per share ("**HEPS**") will be between 3.88 cents and 4.20 cents, representing an increase of between 149% and 169% compared to the HEPS of 1.56 cents reported for the six-month period ended 30 September 2020.

This improvement was mainly due to the return of most operations to pre-Covid levels together with assistance received from Government such as Employment Tax Incentive ("ETI").

The financial information on which this trading statement is based, has not been reviewed or reported on by the Company's external auditors.

CSG expects to release its financial results for the six months ended 30 September 2021 on or about 15 November 2021.
