Update on annual results release date and pre-recorded webcast presentation

Shareholders are referred to the announcement released on SENS on 30 November 2021 providing an indication as to the release of Rebosis' reviewed financial results for the twelve months ended 31 August 2021 (the "annual results") and a pre-recorded webcast presentation scheduled for today.

Rebosis advises that the release of the annual results has been delayed and will be published before market closure on Wednesday, 01 December 2021.

A pre-recorded overview of the annual results will be available at the following link once the annual results have been published:  
<https://www.corpcam.com/Rebosis01122021>

A copy of the annual results and presentation will be made available on the Company's website:  
<http://www.rebosis.co.za/investor-relations-category/results-presentations/>
