The securities transfer tax payable under the Securities Transfer tax Act, 2007 in respect of the transfer of RBPlat Shares to Implats pursuant to the Offer, will be payable by Implats.

5. FOREIGN RBPLAT SHAREHOLDERS

All capitalised terms in this paragraph have the meanings ascribed to such terms in the Circular.

- (a) The availability and impact of the Offer on RBPlat Shareholders who are resident or located or who have registered addresses in any jurisdiction outside South Africa and who may not be entitled to receive the Offer Consideration Shares without violating applicable law or regulatory requirements or to whom the issue of Offer Consideration Shares may be prohibited or subject to requirements that are unduly onerous or impractical, may be affected by the laws of the relevant jurisdiction. RBPlat Shareholders who are in doubt regarding such matters should consult their CSDP, Broker or professional advisor immediately.
- (b) Implats may determine that the Offer Consideration Shares to which Foreign Offer Participants are entitled as part of the Offer Consideration under the Offer, will not be issued to such Foreign Offer Participants but will instead be issued to the Sales Agent to hold same for and on behalf of such Foreign Offer Participants on the basis that the Sales Agent will, as soon as practicable following the date on which the Offer is declared to be fully unconditional and is implemented, sell those Offer Consideration Shares through a market sale process (which may occur on or off a securities exchange and in one or more tranches, whether pursuant to a bookbuild or otherwise) and remit the net proceeds of such Offer Consideration Shares to the relevant Foreign Offer Participants as if it were part of the Offer Consideration Cash.
- (c) To enable Implats to make its determination, RBPlat Shareholders who are resident or located or who have registered addresses in any jurisdiction outside South Africa and who wish to accept the Offer must please inform RBPlat's Transfer Secretaries as soon as possible (and in any event by no later than the record date to determine which RBPlat Shareholders may accept the Offer as indicated in the table of salient dates and times set out above) as to whether they believe that they may lawfully receive the Offer Consideration Shares, or that they may not lawfully receive the Offer Consideration Shares and then

provide such further documentation in proof as may be required by RBPlat's Transfer Secretaries.

- (d) In particular, in the United States, the Offer Consideration Shares have not been and will not be registered under the US Securities Act or under any laws or with any securities regulatory authority of any state, district or other jurisdiction, of the United States, and may only be offered or sold pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and in compliance with any applicable state and other securities laws. There will be no public offer of any securities in the United States.
- (e) Accordingly, the Offer Consideration Shares to be issued pursuant to the Offer will be issued to a US Shareholder only if such US Shareholder is a QIB and has agreed to certain transfer restrictions applicable to the Offer Consideration Shares. Accordingly, to be eligible to receive Offer Consideration Shares pursuant to the Offer, each US Shareholder that is a QIB must execute and deliver a US Investor Letter to its immediate custodian, nominee or other financial intermediary, with a copy to Implats, before 17:00, on Tuesday, 7 June 2022. The form of the US Investor Letter will be distributed to custodians, nominees and other financial intermediaries to distribute to those US Shareholders they hold for in due course and is also available to QIBs from the Company Secretary of Implats at Tebogo.Llale@implats.co.za.
- (f) Any US Shareholder who is not a QIB or in respect of which no US Investor Letter is received by the immediate custodian, nominees or other financial intermediary holding on its behalf, with a copy to Implats, before 17:00, on Tuesday, 7 June 2022, will be a Foreign Offer Participant and will be treated as set out elsewhere in this paragraph 5.
- (g) Implats may reject or accept any US Investor Letter which is completed and/or delivered to it other than or later than in accordance with the instructions provided in this paragraph 5.
- (h) The offering of the Offer Consideration Shares, and the distribution of any related offering materials, is not, and under no circumstances are to be construed as, an advertisement or a public offering in any province or territory of Canada. Any offering in Canada may only be in those jurisdictions and to those persons where and to whom they may lawfully be offered for sale, and therein only by persons permitted to sell such securities. No securities commission or similar authority in Canada has reviewed or in any way passed upon these documents or the merits of the securities described herein, and any representation to the contrary is an offence. Any offer or sale of the Offer Consideration Shares in any province or territory of Canada will only be made on a private placement basis, under an exemption from the requirement that the issuer prepare and file a prospectus with the relevant Canadian securities regulatory authorities. Any resale of the Offer Consideration Shares by a holder in Canada must be made pursuant to an exemption from prospectus requirements and in compliance with, or in a transaction that is not subject to, the registration requirements of applicable Canadian securities laws. Recipients of the Offer Consideration Shares are advised to seek legal advice prior to any resale of such Offer Consideration Shares.

Important information for US shareholders

RBPlat is a public company incorporated in South Africa. The Offer will be made to RBPlat Shareholders in the United States in compliance with the applicable US tender offer rules under the US Securities Exchange Act of 1934, as amended (**US Exchange Act**), including Regulation 14E thereunder, and otherwise in accordance with the requirements of South African law. Accordingly, the Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, the offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer law and practice. The financial information of RBPlat and Implats, including any included in the offer documentation, will not have been prepared in accordance with US GAAP, or derived therefrom, and may therefore differ from, and not be comparable with, financial information of US companies.

The Implats Shares to be issued pursuant to the Offer as part of the Offer Consideration (the **Consideration Shares**) have not been, and will not be, registered under the US Securities Act of 1933, as amended (the **US Securities Act**), or under any laws or with any securities regulatory authority of any state, district or other jurisdiction, of the United States, and may only be offered or sold pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and in compliance with any applicable state and other securities laws. There will be no public offer of any securities in the United States. This announcement does not constitute an offer to sell or solicitation of an offer to buy any of the shares in the United States. Further details of which US and other RBPlat Shareholders are eligible to receive the Consideration Shares, and the procedural steps required to be taken by such persons to so receive such shares, as well as the procedures for those US and other RBPlat Shareholders who do not so qualify to receive the Consideration Shares, will be set forth in the Offer Circular. Also see paragraph 5 of this announcement.

Implats and its affiliates or brokers (acting as agents for Implats and its affiliates, as applicable) may from time to time, and other than pursuant to the Offer, directly or indirectly, purchase, or arrange to purchase outside the United States, shares in RBPlat or any securities that are convertible into, exchangeable for or exercisable for such shares before or during the period in which the Offer remains open for acceptance, to the extent permitted by, and in compliance with, Rule 14e-5 under the US Exchange Act. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Information about any such purchases or arrangements to purchase that is made public in accordance with South African law and practice will be available to all investors (including in the United States) via announcements on the Stock Exchange News Service (or SENS) of the JSE Limited.

Neither the US Securities and Exchange Commission (**SEC**) nor any US state securities commission has approved or disapproved of the Consideration Shares to be issued in connection with the Offer, or determined if this announcement or the Offer Circular is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The Consideration Shares have not been and will not be listed on a US securities exchange or quoted on any inter-dealer quotation system in the United States. Implats does not intend to take any action to facilitate a market in the Consideration Shares in the United States.

The Offer, if consummated, may have consequences under US federal income tax and applicable US state and local, as well as non-US, tax laws for RBPlat Shareholders. Each RBPlat Shareholder is urged to consult his or her independent professional adviser regarding the tax consequences of the Offer.

It may not be possible for RBPlat Shareholders in the United States to effect service of process within the United States upon RBPlat and/or Implats (each a company incorporated in South Africa), or their respective officers or directors, some or all of which may reside outside the United States, or to enforce against any of them judgments of the United States courts predicated upon the civil liability provisions of the federal securities laws of the United States or other US law. It may not be possible to bring an action against RBPlat and/or Implats or their respective officers or directors, in a non-US court for violations of US law, including the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement. In addition, it may be difficult to enforce in South Africa original actions, or actions for the enforcement of judgments of US courts, based on the civil liability provisions of the US federal securities laws.
