PROSPECTS STATEMENT

The Group's economic future is global and diverse, with strong prospects for meaningful growth. Murray & Roberts is well positioned to enable and optimise the capital investments that corporations, governments, and institutions will need to undertake to support sustainable human development, as the world emerges from the pandemic. The Group's order book reflects these pressing global development needs, as well as significant opportunities in international markets.

The Group's strategic efforts, especially over the past five years, are starting to bear fruit. Its large order book and financial results for this period, supports its confidence in a multi-year period of strong earnings growth.

Any forward-looking information contained in this announcement has not been reviewed and reported on by the Group's external auditors.

On behalf of the directors:

Suresh Kana
Chairman of the Board

Henry Laas
Group Chief Executive

Daniel Grobler
Group Financial Director
