**UPDATE IN RESPECT OF THE DISPOSAL OF IKEJA CITY MALL**

---

Shareholders are referred to previous announcements regarding the disposal of Ikeja City Mall and are advised that due to the ongoing US dollar liquidity constraints in Nigeria, the long stop date to implement the transaction has been extended to 30 June 2022. The parties remain committed to the transaction, hence it was agreed to proceed with a fully compliant merger application to the Federal Competition and Consumer Protection Commission of Nigeria in the interim. The extension of the longstop date is conditional on the purchaser submitting a fully compliant merger application on or before 31 May 2022, failing which the longstop date shall be 31 May 2022.

Should there be any further developments in relation to the transaction, shareholders will be updated accordingly.

1 April 2022
