## **SHORT-FORM ANNOUNCEMENT: AUDITED RESULTS FOR THE YEAR ENDED 31 MARCH 2022 AND DISTRIBUTION DECLARATION**

### **OASIS CRESCENT PROPERTY FUND PHILOSOPHY & STRATEGY**

The Fund is a well-diversified real estate investment trust ("REIT") invested in South African direct property investments, high quality global listed REITs and liquid instruments. The Fund is focused on meeting all tenant needs and maintaining world class facilities. The absence of debt and financial leverage delivers a more sustainable rate of growth during the normal course of operations but more importantly, the Fund is not exposed to the risk and negative effects of financial leverage during difficult times as we are currently experiencing.

#### **1. THE PERIOD IN BRIEF**

Since inception intrinsic value return of 11.7% per annum achieved and unitholder return of 10.5% per annum compared to inflation over that period of 5.5% per annum.

Net asset value per unit increased by 9.0% from 2 239 cents per unit to 2 440 cents per unit benefiting from excellent capital allocation and offshore exposure to high quality developed markets.

Improving leasing environment due to the portfolio focus on the Western Cape and industrial sector where demand is strong due to business semigration to the Western Cape and the global trend of onshoring of manufacturing.

The Fund is on track for the relaunch of The Ridge@Shallcross Shopping Centre in Shallcross, KwaZulu-Natal during September to November 2022 with an exciting new generation grocery anchor store and enhanced tenant mix.

The Fund has commenced a unit repurchase program to take advantage of the attractive discount that units are trading at relative to the net asset value per unit.

The Fund has no debt and its tenant profile remains low-risk as 87% of tenants are multi-national, national, or government-related.

### **3. DECLARATION ANNOUNCEMENT IN RESPECT OF THE DISTRIBUTION FOR THE 6 MONTHS ENDED 31 MARCH 2022**

Notice is hereby given that a distribution of 4,188.58291 cents (in aggregate), after non-permissible income, for every 100 (one hundred) units so held, has been approved and declared to unitholders recorded in the register of OCPF at close of business on Friday, 3 June 2022, from income. Unitholders may elect to receive the distribution in cash or to reinvest the distribution by the purchase of new units at a rate of 1.71630 units at 2,440 cents per unit (in aggregate), for every 100 (one hundred) units so held.

Trading in the electronic Strate environment does not permit fractions and fractional entitlements in respect of units. Accordingly, should a unitholder's entitlement to new units, calculated in accordance with the ratio mentioned above, give rise to a fraction of a new unit, such fraction will be rounded down to the nearest whole number, resulting in allocations of whole units and a payment to the unitholder in respect of the remaining cash amount due to that unitholder under the distribution.

The publication of this announcement and/or applicable documents and the right to reinvest the distribution in jurisdictions other than South Africa may be restricted by law and a failure to comply with any of these restrictions may constitute a violation of the securities laws of any such jurisdictions. OCPF units have not been and will not be registered for the purposes of the election under the securities laws of the United Kingdom, European Economic Area or EEA, Canada, United States of America, Japan or Australia and accordingly are not being offered, sold, taken up, re-sold or delivered directly or indirectly to recipients with registered addresses in such jurisdictions.

In respect of the distribution, unitholders who will receive the distribution are hereby informed that, for taxation purposes, OCPF is a REIT as defined in the Income Tax Act as from 1 April 2013 and, accordingly, the tax implications of the distribution have changed as from that date. The distribution will not be exempt from income tax in terms of section 10(1)(k) of the Income Tax Act.

For South African tax residents, the distribution will be exempt from dividends tax in terms of section 64F(1) of the Income Tax Act, provided that you, as unitholder, provide the transfer secretary or your nominee, custodian or Central Securities Depository Participant ("**CSDP**") with confirmation of your tax residence status in the prescribed form. If you do not provide the required residence status, they will have no choice but to withhold dividends tax at a rate of 20%.

For non-resident unitholders, for South African tax purposes, the distribution received by a non-resident unitholder from a REIT will be subject to dividend withholding tax at 20%, unless

the rate is reduced in terms of any applicable agreement for the avoidance of double taxation (“DTA”) between South Africa and the country of tax residence of the unitholder. Non-resident unitholders that believe that a reduced rate of tax applies in respect of their applicable DTA should contact the transfer secretaries or their nominee, custodian or CSDP for the prescribed form to record the reduced rate of tax.

Where dividends tax is withheld at 20%:

- the reinvestment ratio for non-resident unitholders will be 1.37304 units at 2,440 cents per unit, for every 100 (one hundred) units held on the record date; and
- should such unitholders elect to receive the distribution in cash, they will receive 3,350.86633 cents per 100 units held on the record date.

Kindly contact the transfer secretaries, or your nominee, custodian or CSDP for a copy of the prescribed declaration form.

The Income Tax Act sections applicable to the distributions made are as follows:

- Property income distribution from a REIT – section 10(1)(k) and section 64F(1)

Both resident and non-resident unitholders are encouraged to consult their professional tax advisors with regard to their individual tax liability in this regard.
