Interim results release date and webcast presentation

Rebosis, a JSE listed REIT that owns a high-quality diversified portfolio across commercial and retail assets, will release its unaudited interim financial results for the six-month period ended 28 February 2022 (the "interim results") on Friday, 27 May 2022.

Management will host a briefing on the interim results via webcast on the same day, starting at 10:00 (South African time). A virtual question and answer session will follow the presentation.

The webcast can be accessed via the link below:

<https://www.corpcam.com/Rebosis27052022>

A copy of the interim results and presentation will be made available on the Company's website:
