In terms of section 10 of the JSE Listings Requirements, ARC Investments is required to prepare pro forma financial information showing the effects of the Related Party Transaction on the Statement of Financial Position and Statement of Comprehensive Income. Only the amendments which are proposed to the Partnership Agreement in respect of the Management Fee are a Related Party Transaction, but to provide Shareholders with complete information on the full effects of the Proposed Amendments (i.e. the amendments to both the Management Fee and the Performance Participation Fee), the pro forma effects of both of the Proposed Amendments are included in the pro forma financial information disclosed in the Circular.
