SASOL PRICES US\$750 MILLION GUARANTEED SENIOR UNSECURED CONVERTIBLE BONDS

Sasol Limited is pleased to announce that Sasol Financing USA LLC, its indirect wholly owned subsidiary (the "Issuer"), has priced its offering of US\$750 million guaranteed senior unsecured convertible bonds due 2027 (the "Convertible Bonds") (the "Offering"). Capitalised terms used in this announcement but not defined have the meanings given to them in the terms and conditions of the Convertible Bonds (the "Conditions").

The net proceeds of the Offering will be used for general corporate purposes, including, but not limited to, the refinancing of debt.

The Convertible Bonds will be issued at 100% of their principal amount in minimum denominations of US\$200,000 each and, unless previously redeemed, converted or purchased and cancelled, each will be redeemed at their principal amount on or around 8 November 2027. The Convertible Bonds will pay a coupon of 4.5% per annum, payable semi-annually in arrear and in equal instalments on 8 May and 8 November of each year, with the first interest payment date on 8 May 2023. All payments in respect of the Convertible Bonds will be guaranteed by the Company. The initial conversion price is US\$20.3863, representing a premium of 30% to the volume weighted average price of the Ordinary Shares listed on the main board of the JSE Limited between opening of trading and pricing today, 1 November 2022, translated into US\$ using the USDZAR exchange rate at the time of pricing. The conversion price will be subject to standard market anti-dilution adjustments pursuant to the Conditions, including, among other things, dividends paid by Sasol.

The Convertible Bonds will be issued by the Issuer on or around 8 November 2022 (the "Closing Date") and an application is expected to be made for the Convertible Bonds to be admitted to trading on the Open Market (*Freiverkehr*) segment of the Frankfurt Stock Exchange within 30 days following the Closing Date.

The Convertible Bonds, subject to the receipt of the requisite approvals at a general meeting of the shareholders of Sasol (the "Shareholder Resolutions"), will be convertible into new and/or existing ordinary shares of Sasol (the "Ordinary Shares"), cash (at the election of the Company), or a combination thereof, in each case, pursuant to and in accordance with the Conditions. Prior to, and/or absent of such approvals, holders of the

Convertible Bonds will (in accordance with the Conditions) receive on conversion a cash amount equal to the value of the Ordinary Shares.

The Company will use all reasonable endeavours to convene a general meeting of its shareholders not later than 14 months after the Closing Date (the “Long Stop Date”) for the purpose of, *inter alia*, considering, and if thought fit, passing the Shareholder Resolutions.

At any time after the date of the first shareholders’ meeting following the Closing Date, for so long as the Shareholder Resolutions have not been approved and notice of such redemption is given to the bondholders not later than 10 Johannesburg business days after the Long Stop Date, the Issuer may elect to redeem all but not some of the Convertible Bonds at the greater of: i) 102% of their principal amount, or ii) 102% of their fair market value, in each case plus accrued but unpaid interest, all as further described in the Conditions.

The Issuer will have the option to redeem all but not some of the Convertible Bonds at their principal amount (plus accrued but unpaid interest) in accordance with the Conditions at any time (i) on or after 29 November 2025, if the Parity Value (as defined in the Conditions) is equal to or exceeds US\$260,000 for a specified period of time; or (ii) if at any time 85% or more of the principal amount of the Convertible Bonds originally issued have been converted and/or redeemed and/or purchased and cancelled (all as more fully described in the Conditions).

In the context of the Offering, the Company, the Issuer and the Company’s other subsidiaries have agreed to a lock-up relating to equity and equity-related securities for a period commencing on pricing and ending 90 calendar days following the Closing Date, subject to certain exceptions and waiver by the Sole Global Coordinator.

BofA Securities acted as Sole Global Coordinator for the Offering. Citigroup, J.P. Morgan and BofA Securities acted as Joint Bookrunners for the Offering. Mizuho, MUFG and SMBC Nikko acted as Co-Lead Managers for the Offering (together with the Sole Global Coordinator and Joint Bookrunners, the “Joint Lead Managers”).

Each prospective investor should proceed on the assumption that it must bear the economic risk of an investment in the Convertible Bonds or the ordinary shares to be issued or transferred and delivered upon conversion of the Convertible Bonds and notionally underlying the convertible bonds. None of the Issuer, the Company or the joint lead managers make any representation as to (i) the suitability of the securities for any particular investor, (ii) the appropriate accounting treatment and potential tax consequences of investing in the securities or (iii) the future performance of the securities either in absolute terms or relative to competing investments.

The joint lead managers are acting on behalf of the Issuer and the Company and no one else in connection with the Convertible Bonds and will not be responsible to any other person for providing the protections afforded to clients of the joint lead managers or for providing advice in relation to the securities.

The joint lead managers and their respective affiliates have in the past performed commercial banking, investment banking and advisory services for the Company and its group from time to time for which they have received customary fees and reimbursement of expenses and may, from time to time, engage in transactions with and

perform services for the Company and its group in the ordinary course of their business for which they may receive customary fees and reimbursement of expenses.

In connection with the Offering of the bonds, each of the joint lead managers and any of their respective affiliates may take up a portion of the bonds or the underlying shares as a principal position and in that capacity may retain, purchase, sell or offer to sell for its own account such securities and any other securities of the Issuer or the Company or any related investments in connection with the Offering of the bonds or otherwise. Accordingly, references in this announcement to bonds being sold, offered, subscribed, acquired, placed or otherwise dealt in should be read as including any issue or offer to, or subscription, acquisition, placing or dealing by, any of the joint lead managers and any of their respective affiliates acting in such capacity. Certain of the joint lead managers or their affiliates are, and/or may in the future be, lenders, and in some cases agents or managers for the lenders, under certain of the Company's or the group's credit facilities and other credit or those of its affiliates. In particular, certain of the proceeds received by the Company from the Offering may, without limitation, be used for the refinancing of debt previously provided by certain of the joint lead managers. In their capacity as lenders, such joint lead managers or their affiliates may, in the future, seek a reduction of a loan commitment to the company or their respective affiliates, or impose incremental pricing or collateral requirements with respect to such facilities or credit arrangements, in the ordinary course of business. In addition, certain of the joint lead managers or their affiliates that have a lending relationship with the Company may routinely hedge their credit exposure to the Company consistent with their customary risk management policies. A typical hedging strategy would include these joint lead managers or their affiliates hedging such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in the securities.

Each of the Issuer, the Company, the joint lead managers and their respective affiliates expressly disclaims any obligation or undertaking to update, review or revise any statement contained in this announcement whether as a result of new information, future developments or otherwise.
