GHANA NATIONAL COMMUNICATIONS AUTHORITY (NCA) DIRECTIVE ON UNREGISTERED SIM CARDS

MTN shareholders (Shareholders) are advised that Scancom Plc (MTN Ghana) has, on 28 November 2022, released an announcement on the Ghana Stock Exchange regarding a directive confirmed to MTN Ghana by the NCA on 28 November 2022.

The directive relates to the full barring of customers, effective from 1 December 2022, that have completed Stage 1 (Linkage) of subscriber registration but have not completed Stage 2 of the process, being the biometric capture.

As MTN Ghana is a significant subsidiary of MTN Group, Shareholders are referred to the MTN Ghana notice, PR. No. 384/2022 dated 28 November 2022, published on the Ghana Stock Exchange for further details. The Notice can be viewed at <https://mtn.com.gh>

Scancom PLC and MTN Group will update investors further on 2 December 2022, on completion of the customer de-activation exercise and will communicate customers impacted, pro forma revenue impact and initiatives to re-register impacted customers.
