Retirement of NewFunds (RF) Proprietary Limited ("NewFunds") as Manager of the NewFunds Collective Investment Scheme in Securities

Investors are informed that NewFunds has decided to retire as Manager of the NewFunds Collective Investment Scheme in Securities ("the Scheme") and has appointed Satrix Managers (RF) Pty Limited ("Satrix") as the new manager effective from Wednesday, 01 March 2023. This process was subject to the Financial Services Conduct Authority ("Authority") and Trustee approval.

Background

Absa Group Limited and its subsidiaries ("Absa") and Sanlam Limited and its subsidiaries ("Sanlam") have agreed to combine Absa's investment management business with Sanlam Investment Holdings (Pty) Ltd ("SIH") to establish one of the largest black owned asset management companies in South Africa, subject to regulatory approvals.

As part of the proposed transaction, NewFunds (as 100% owned by Absa Bank Limited) will retire as a Manager of the Scheme and will be replaced by Satrix as the new Manager.

Satrix is the leading provider of index-tracking investment products and Exchange Traded Funds (ETFs) in South Africa, having launched South Africa's first ETF in 2000. Satrix offers a range of vanilla and smart beta products across ETFs, index tracking unit trusts, life pools and segregated portfolios. This transaction offers you, as an investor, an opportunity to be part of South Africa's biggest ETF index-tracking business.
