Mediclinic International plc

by

Manta Bidco Limited

(a newly formed company owned by joint offerors: (i) Remgro Limited (“Remgro”) (through the Relevant Remgro Subsidiaries); and (ii) SAS Shipping Agencies Services S.à r.l. (“SAS”), a wholly owned subsidiary of MSC Mediterranean Shipping Company SA (“MSC”)) effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

DE-LISTING AND CANCELLATION OF TRADING OF MEDICLINIC SHARES

Further to the announcement made by Mediclinic International plc (“**Mediclinic**”) on 26 May 2023 that the Scheme has become Effective in accordance with its terms, Mediclinic today announces that, following an application by Mediclinic, the Financial Conduct Authority has cancelled the listing of Mediclinic Shares on the premium listing segment of the Official List and the London Stock Exchange has cancelled the trading of Mediclinic Shares on the London Stock Exchange’s main market for listed securities, in each case with effect from 8:00 a.m. (London time) today, 30 May 2023.

Following the suspension of Mediclinic Shares on the Main Board of the JSE and the NSX, effective from 9:00 a.m. (SAST) on commencement of trade on 26 May 2023, the delisting of Mediclinic Shares from the JSE and the NSX is expected to take effect from commencement of trade on 7 June 2023, being the first SA Business Day immediately following the date on which accounts are expected to be credited with the Consideration.

Capitalised terms used but not defined in this announcement (the “**Announcement**”) have the meanings given to them in the scheme document published on 30 August 2022 in relation to the recommended cash offer by Manta Bidco Limited for the entire issued and to be issued share capital of Mediclinic, effected by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006.

Additional information for US investors

The Acquisition relates to shares in a UK company and is effected by means of a scheme of arrangement under English law. US Mediclinic Shareholders should note that the Scheme relates to the shares of a UK company and will be governed by English law. Neither the proxy solicitation rules nor the tender offer rules under the US Exchange Act will apply to the Acquisition or the Scheme. Moreover, the Acquisition and the Scheme are subject to the disclosure requirements and practices applicable in England to schemes of arrangement, which differ from the disclosure requirements of the proxy solicitation rules and tender offer rules under the US Exchange Act.

Neither the SEC nor any securities commission of any state of the US nor any other US regulatory authority has approved the Acquisition, passed upon the fairness of the Acquisition or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the US.

In accordance with the Takeover Code and normal UK practice, and pursuant to Rule 14e-5(b) of the US Exchange Act (if applicable), (a) Bidco or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Mediclinic outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn; and (b) Morgan Stanley, UBS and Standard Bank and their affiliates will continue to act as exempt principal traders in Mediclinic securities under the Takeover Code. If purchases or arrangements to purchase were to be made as contemplated by clause (a) of this paragraph, they would occur either in the open market at prevailing prices or in private transactions at negotiated prices, and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase would be disclosed as required in the UK, would be reported to a Regulatory Information Service and would be made available on the London Stock Exchange website at www.londonstockexchange.com. Purchases contemplated by clause (b) of this paragraph that are required to be made public in the United Kingdom pursuant to the Takeover Code would be reported to a Regulatory Information Service and would be made available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of the cash Consideration by a US Mediclinic Shareholder for the transfer of its Mediclinic Shares pursuant to the Acquisition will likely be a taxable transaction for US federal income tax purposes and may also be a taxable transaction under applicable state and local tax laws in the US, as well as foreign and other tax laws. Each US Mediclinic Shareholder is urged to consult their independent professional tax adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable US state and local, as well as overseas and other, tax laws.

It may be difficult for US Mediclinic Shareholders to enforce their rights and any claim arising out of US federal securities laws, since Mediclinic and Bidco are each located in a non-US jurisdiction, and some or all of its officers and directors may be residents of non-US jurisdictions. US Mediclinic Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Forward Looking Statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Mediclinic, any member of the Mediclinic Group, Bidco, the Wider Bidco Group or any member of the Consortium contain statements which are, or may be deemed to be, "forward-looking statements". Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Mediclinic, any member of the Mediclinic Group, Bidco, the Wider Bidco Group or any member of the Consortium shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this Announcement may relate to Mediclinic, any member of the Mediclinic Group, Bidco, or any member of the Wider Bidco Group or the Enlarged Group's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and all other statements in this Announcement other than statements of historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will", "shall" or "should" or, in each case, their negative or other variations or other similar or comparable words and expressions. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco, the Wider Bidco Group or Mediclinic's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco, the Wider Bidco Group or Mediclinic's business.

By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include, but are not limited to, uncertainties involved in the integration of acquisitions or new developments, changes in legislation or the regulatory regime governing healthcare in Switzerland, South Africa, Namibia and the United Arab Emirates, poor performance by healthcare practitioners who practise in the Mediclinic Group's facilities, unexpected regulatory actions or suspensions, competition in general, the Mediclinic Group's ability to obtain or maintain accreditation or approval for its facilities or service lines, changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or disposals, the impact of tax and other legislation or regulations in the jurisdictions in which the Mediclinic Group operates, and any epidemic, pandemic or disease outbreak. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

None of Mediclinic, any member of the Wider Mediclinic Group, Bidco, any member of the Bidco Group, or any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

Specifically, statements of estimated cost savings and synergies relate to future actions and circumstances which, by their nature involve, risks, uncertainties and contingencies. As a result, any cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated. As a result, and given the fact that the changes relate to the future, the resulting cost synergies may be materially greater or less than those estimated.

The forward-looking statements speak only at the date of this Announcement. All subsequent oral or written forward-looking statements attributable to Mediclinic, Bidco or any member of the Wider Bidco Group or the Mediclinic Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

Mediclinic, the Mediclinic Group, Bidco and the Wider Bidco Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No statement in this Announcement is intended as a profit forecast, profit estimate or quantified financial benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for Mediclinic or Bidco, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for Mediclinic or Bidco, as appropriate.
