**Resumption of Operations at Bakubung Platinum Mine**

---

Shareholders are hereby advised that Bakubung Platinum Mine (BPM) has successfully reopened its operations. This significant development follows the signing of a crucial peace agreement that marked the end of a prolonged period of labour relations negotiations.

As of August 21, 2023, the mine resumed its activities. Going forward, all matters of this nature will be handled in terms of a collective agreement to be signed between the Employer and the Employee Representatives within 30 days of ending the strike.
