

4SIGHT HOLDINGS LIMITED

(Incorporated in the Republic of South Africa)

(Registration number: 2022/852017/06)

JSE share code: 4SI ISIN: MU0557S00001

("4Sight" or "the Company")

CHANGE OF ISIN

Shareholders are referred to previous SENS announcements relating to the successful redomiciling of 4Sight from Mauritius to South Africa (the "**Redomicile**"). As a result of the Redomicile, 4Sight has applied to the JSE for a new international securities identification number ("**ISIN**"), and the JSE has reserved a new ISIN for the Company.

Shareholders are advised that:

- the Company's ISIN will change to ZAE000324059 in accordance with the timetable below;
- the Company's long name, short-name and alpha code will remain the same; and
- 4Sight will remain in the same sector and retain all previous trading history following the change of ISIN.

The salient dates and times regarding the change of ISIN are set out below:

	2023
Last day to trade under the old ISIN "MU0557S00001"	Tuesday, 19 September
Trading under the new ISIN "ZAE000324059" to commence on	Wednesday, 20 September
Record date in respect of the change of ISIN	Friday, 22 September
Date of issue of new replacement share certificates for certificated shareholders only (provided that the old share certificates have been lodged by 12:00 on Friday, 22 September 2023)	Tuesday, 26 September
CSDP and broker accounts of dematerialised shareholders to be updated on	Tuesday, 26 September

Notes:

1. All dates and times indicated above are South African Standard Time.
2. Share certificates may not be dematerialised or rematerialised after the last day to trade in shares prior to the change of ISIN, being Tuesday, 19 September 2023.
3. If any old share certificates are received after 12:00 on Friday, 22 September 2023, the replacement share certificates will be posted within five days after receipt of the old share certificates.
4. Shareholders are reminded that shares in companies listed on the JSE can no longer be bought or sold on the JSE unless they have been dematerialised onto the State system. It is therefore suggested that certificated shareholders should consider dematerialising their shares and replacing them with electronic records of ownership.
