FOR DIVIDEND PAYABLE IN RESPECT OF ORDINARY SHARES LISTED ON THE  
JOHANNESBURG STOCK EXCHANGE

The dividend payable to holders of Reinet ordinary shares listed on the Johannesburg Stock Exchange (the "Reinet South African Shares") is payable in rand via central security depository participants in Strate for all holdings of dematerialised Reinet South African Shares.

The total dividend of EUR 0.30000 per share from income reserves, as recommended by Reinet, has been approved by shareholders of Reinet at the annual general meeting held on Tuesday, 29 August 2023 in Luxembourg.

There is no Luxembourg withholding tax payable on dividends which may be declared by Reinet.

In 2013, Reinet sought clarification from the South African Revenue Service ("SARS") as to the treatment of any dividends to be declared by Reinet and paid to holders of depository receipts issued by Reinet Securities SA in respect of Reinet ordinary shares. This ruling was renewed for a further 5 years on 8 March 2018 in respect of any dividends to be declared by Reinet and paid to holders of the Company's ordinary shares listed on the Johannesburg Stock Exchange. Reinet is in the process of applying for a renewal of this ruling in respect of any dividends to be declared and paid to holders of its ordinary shares listed on the Johannesburg Stock Exchange. Information relating to the renewal of the ruling will be provided in due course.

The exchange rate applicable for the conversion of euro to rand for payment of the Reinet South African Share dividend is ZAR 20.60000 : Euro 1. Accordingly, the net dividend payable per Reinet South African Share is 494.40000 ZAR cents, as set out in the table below:
