### **SECONDARY LISTING BY WAY OF INTRODUCTION OF PRIMARY HEALTH PROPERTIES PLC ON THE MAIN BOARD OF THE JSE LIMITED**

Primary Health Properties PLC, one of the UK's leading investors in modern primary healthcare facilities, is pleased, following the pre-listing announcement on 17 October 2023, to confirm the secondary inward listing on the Main Board of the Johannesburg Stock Exchange ("JSE"), effective from today, 24 October 2023.

The Company did not place or issue any new PHP shares in connection with the secondary listing on the JSE and will remain listed on the premium segment of the Official List in London. PSG Capital Proprietary Limited has been appointed as PHP's Corporate Advisor and Sponsor on the JSE.

PHP believes that admission to trading on the JSE will be beneficial to the Company and its stakeholders. The Board of PHP believes that the secondary listing on the JSE can be expected to contribute to liquidity in the Company's shares through its increased profile in the South African market, where a number of investors have already shown strong interest in investing in PHP, driven by its high-quality, government-backed income stream and robust operating model.
