## SHORT-FORM ANNOUNCEMENT: REVIEWED RESULTS FOR THE YEAR ENDED 29 FEBRUARY 2024 AND DIVIDEND DECLARATION

### 1. FINANCIAL RESULTS

- Recurring headline earnings per share increased by 11% to 81.1 cents per share
- Total dividend per share increased by 17% to 42.0 cents per share
- Assets under management increased by 15% to R407bn
- Gross written premium increased by 13% to R7.0bn

Note: All amounts contained in this short-form announcement are presented in ZAR.

PSG Financial Services delivered an 11% increase in recurring headline earnings per share and a return on equity of 23.4% for the current year.

These results were achieved against a backdrop of mostly known challenging operating conditions. Our key financial metrics under these conditions highlight the competitive advantage of our advice-led business model. Total assets under management increased by 15% to R406.9 billion, comprising assets managed by PSG Wealth of R355.1 billion (16% increase) and PSG Asset Management of R51.8 billion (7% increase), while PSG Insure's gross written premium amounted to R7.0 billion (13% increase). Performance fees constituted 2.8% (2023: 6.5%) of headline earnings.

The firm remains confident about its long-term growth prospects, and we therefore continued to invest in both technology and people. Compared to the prior year, our technology and infrastructure spend increased by 13% (these costs continue to be fully expensed), while our fixed remuneration cost grew by 12%. These factors had a muted impact on our operating margins. We are proud of the progress made in growing our own talent, with 152 newly qualified graduates having joined during the financial year.

### Capital management

PSG Financial Services' capital cover ratio remains strong at 240% based on the latest insurance group return (28 February 2023: 240%). This comfortably exceeds the minimum regulatory requirement of 100%. During August 2023, Global Credit Rating Company affirmed the group's long-term and short-term credit ratings at A+(ZA) and A1(ZA) respectively, with a Stable Outlook. The group's capital cover ratio and the credit rating affirmation are testament to the group's strong financial position and excellent liquidity.

PSG Financial Services also continues to generate strong cash flows, which gives us various options to optimise our capital structure and risk-adjusted returns to the benefit of shareholders:

- The group repurchased and cancelled 15.8 million shares at a cost of R207.2 million during the year, as part of shareholder capital optimisation.
- Our shareholder investable asset's exposure to equity marginally increased to 8% (previously 6%). We continue to monitor investment markets and will gradually increase our value at risk exposure to align with our long-term target.

## 2. FINAL DIVIDEND DECLARATION

Considering the strong cash position, the board declared a final gross dividend of 28.5 ZAR cents per share from income reserves for the year ended 29 February 2024 (2023: 25.0 ZAR cents per share). This brings the total dividend distribution to shareholders to 42.0 ZAR cents per share (2023: 36.0 ZAR cents per share) for the full year, reflecting the group's sound financial position and confidence in its prospects.

The dividend is subject to a South African dividend withholding tax ("DWT") rate of 20%, unless the shareholder is exempt from paying dividend tax or is entitled to a reduced rate in terms of the applicable double-tax agreement. Including DWT at 20% results in a net final dividend of 22.8 ZAR cents (2023: 20.0 ZAR cents) per share. The number of issued

ordinary shares is 1 276 380 968 at the date of this declaration. PSG Financial Services' income tax reference number is 9550/644/07/5.

The salient dates of the dividend declaration are:

Declaration date	Thursday, 18 April 2024
Last day to trade cum dividend	Tuesday, 7 May 2024
Trading ex-dividend commences	Wednesday, 8 May 2024
Record date	Friday, 10 May 2024
Date of payment	Monday, 13 May 2024

As the dividend has been declared and denominated in ZAR, it will be paid (in ZAR) into the bank accounts of shareholders appearing on the Mauritian register.

Share certificates may not be dematerialised or rematerialised between Wednesday, 8 May 2024 and Friday, 10 May 2024, both days inclusive.

### 3. LOOKING FORWARD

We have always been confident that resourceful South Africans will build a better future for themselves and their children. Nevertheless, current economic activity remains depressed, and expectations have continued to plummet to new lows.

Irrespective of the short-term challenges, we remain confident in our long-term strategy and will continue to invest in our businesses, thereby securing prospects for growth. Moreover, the firm has aimed to actively stimulate debate around improving South Africa's economic prospects by launching the Think Big SA competition in collaboration with Economic Research South Africa. We look forward to sharing the insights generated from the winning discussion paper more broadly in the interest of helping to create a more supportive local growth environment. Nonetheless, we will continue to monitor local and global events and the associated impact on the group's clients and other stakeholders, and adjust our approach if required.
