**APPOINTMENT OF GROUP CHIEF OPERATING OFFICER OF MANTENGU**

---

The board of directors of Mantengu ("the Board") is pleased to announce that Mr Keabetswe Mogaladi ("Keabetswe") has, with effect from 13 May 2024, been appointed as Mantengu's Group Chief Operating Officer ("COO"). Keabetswe will form part of the Group's Executive Committee and will bolster Mantengu's current focus on:

- the development of the Langpan chrome and PGM mine.
- operational excellence, cost optimisation and safety.
- augmenting Mantengu's growth strategy with the requisite skills and experience to expedite the Group's expansion plans.

Keabetswe (Pr. Eng) is a registered Professional Engineer having obtained his BEng: (Hons) in Metallurgical Engineering from the University of Pretoria. He also obtained an MBA from Wits Business School and an Advanced Certificate in Accountancy from Unisa. Keabetswe has more than 13 years' experience in the industry and has a proven track record in various roles in the mining sector across different commodities. His interests are in business, mining & metallurgy, corporate finance, strategy, and leadership.

The Board welcomes Keabetswe and looks forward to his contribution to the Group.
