Footnotes:(1) FFO - profit before tax less tax paid, after adjusting for non-cash transactions (such as fair value or real estate remeasurement, depreciation and amortization share base payment provision and unpaid financial expenses) share of profit/(loss) of associates and joint ventures and one-off items (such as FX differences and residential activity and other non-recurring items); (2) LTV - Includes non-current financial assets; (3) EPRA NTA - is a net asset value measure under the assumption that the entities buy and sell assets, thereby crystallising certain levels of deferred tax liability. It is computed as the total equity less non-controlling interest, excluding the derivatives at fair value as well as deferred taxation on property (unless such item is related to assets held for sale);
