DEALINGS IN SECURITIES

In compliance with paragraphs 3.63 to 3.74 of the Listings Requirements of the JSE Limited ("**JSE**"), shareholders are advised of the following dealings by prescribed officers and an executive director in terms of the company's share scheme, relating to the vesting of shares as part of Telkom's Talent Share Plan ("**the Plan**").

In terms of the Plan, the vesting of the Talent Share Awards ("**TSAs**") occurs after three years and are subject to performance conditions. Whilst vesting is not classified as 'dealings' in terms of the JSE Listings Requirements, the vesting of the TSAs does result in a tax liability for the participants in terms of section 8C of the Income Tax Act (No 58 of 1962) whether they elect to keep all their shares, sell all their shares or elect to sell a portion of their shares to cover the tax liability.

As the company was in a prohibited period for the majority of the past financial year, in terms of the Plan, the vesting of the TSAs was delayed until such time the prohibited period was lifted, subsequent to which, participants elected to sell a portion or all of their shares equivalent to the value of the tax liability incurred upon the vesting thereof.
