**Mondi Group – 2024 Interim Dividend euro/sterling Exchange Rate**

On 1 August 2024 Mondi plc announced that it will pay an interim dividend for the year ending 31 December 2024 of 23.33 euro cents per ordinary share on Friday 27 September 2024. The dividend will be paid in euro.

However, ordinary shareholders resident in the United Kingdom will receive the interim dividend in sterling (unless shareholders have elected to receive their dividends in euro). The last date for euro currency elections was 9 September 2024. It was stated in the announcement on 1 August that the exchange rate for the interim dividend payment would be set today. Accordingly, it is confirmed that sterling dividend payments will be converted at a rate of EUR 1 to GBP 0.84398. Therefore, the equivalent interim dividend in pence per ordinary share will be 19.69005.

Mondi plc South African branch register shareholders will receive the interim dividend in South African rand cents, converted at a rate of EUR 1 to ZAR 19.69500. Therefore, the equivalent gross interim dividend in rand cents per ordinary share will be 459.48435.

Information relating to the dividend tax applicable to Mondi plc South African branch register shareholders can be found in the ZAR/euro exchange rate announcement released by Mondi on 1 August 2024.
