## RESULTS OF THE CASH DIVIDEND AND THE SCRIP DISTRIBUTION ALTERNATIVE

---

Datatec shareholders ("**Shareholders**") are referred to the announcement regarding the Company's condensed unaudited interim financial results for the six months ended 31 August 2024 and declaration of a cash dividend with a scrip distribution alternative released on the Stock Exchange News Service ("**SENS**") of the JSE Limited ("**JSE**") on Thursday, 24 October 2024, in terms of which the board of directors of the Company declared an interim cash dividend of 75 ZAR cents ("**Cash Dividend**") per Datatec ordinary share ("**Datatec Ordinary Share**") held on the record date, being Friday, 6 December 2024 ("**Record Date**"). Shareholders were advised that they would be entitled to elect to receive a scrip distribution of new, fully paid Datatec Ordinary Shares in proportion to their ordinary shareholding in Datatec on the Record Date instead of the Cash Dividend ("**Scrip Distribution**" or "**Scrip Distribution Alternative**").

Shareholders were entitled to receive the Cash Dividend of 75 ZAR cents per Datatec Ordinary Share in respect of their shareholding as at the close of trading on the JSE on the Record Date, in proportion to their ordinary shareholding in Datatec and to the extent that such Shareholders had not elected to receive the Scrip Distribution Alternative in respect of all or a part of their shareholding.

Shareholders were entitled to elect to receive that number of Scrip Distribution shares determined in the ratio of 1.91192 Scrip Distribution shares for every 100 Datatec Ordinary Shares held on the Record Date, instead of the Cash Dividend.

Shareholders recorded in the register of the Company at the close of business on the Record Date holding 78,125,676 Datatec Ordinary Shares did not elect to receive the Scrip Distribution Alternative and will therefore receive the gross Cash Dividend of 75 ZAR cents per Datatec Ordinary Share (where applicable, 60 ZAR cents per Datatec Ordinary Share, net of applicable Dividend Withholding Tax) resulting in a total gross Cash Dividend of ZAR 58,594,257 which was paid out of the distributable retained profits of the Company.

In terms of the Scrip Distribution Alternative, 2,965,247 new Datatec Ordinary Shares were issued today to Shareholders who elected to receive the Scrip Distribution shares in respect of all or part of their shareholding, resulting in a capitalisation of distributable retained profits of the Company of ZAR 116,319,667.

The Cash Dividend payments were made, and Central Securities Depository Participant/broker accounts of dematerialised Shareholders and certificated Shareholders were credited today. No share certificates were dispatched to certificated shareholders in respect of the Scrip Distribution.
