TRADING STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2024

The board hereby advises on its expectations of the financial results for the year ended 31 December 2024.

The group reports normalised earnings per share ("NEPS") as a way of excluding the effect of one-off transactions and corporate action costs from its results.

Basic NEPS, Basic headline earnings per share ("HEPS") and Basic earnings per share ("EPS") for the year ended 31 December 2024 are expected to be between 13% and 18% higher than the comparative reporting period for the year ended 31 December 2023 ("the comparative period") or between 196.8 and 205.8 cents per share as compared to NEPS and HEPS of 174.2 cents per share and EPS of 174.4 cents per share comparative period.

We are pleased with enrolments for 2025 for both the schools and tertiary divisions that are tracking in line with targets and continuing their trend of good growth.

The financial information on which this trading update is based has not been reviewed or audited by the group's external auditors.

ADvTECH expects to release results for the year ended 31 December 2024 on the JSE's Stock Exchange News Service on or about Monday, 24 March 2025.
