ADMISSION TO US OTCQX TRADING PLATFORM

Datatec, the international Information and Communications Technology (ICT) company, announces that it has been admitted to the OTCQX trading platform in the USA to broaden international investor access.

The OTCQX Market is a platform for companies listed on a qualified international exchange to provide transparent trading to U.S. investors using a US Dollar quoted share price. It enables companies to disseminate their home market reporting to make their information available in the U.S. To qualify for OTCQX, companies must meet high financial and reporting standards, follow best practice corporate governance and demonstrate compliance with applicable securities laws.

Datatec shares begin trading on OTCQX when US markets open today under the symbol "DTTLF".
